The Federal Government assesses wireless carriers to fund the delivery of universally-affordable telecommunications and information services. The FCC also assesses wireless carriers to recover the costs of enforcement, policy and rulemaking. The universal service assessment is a monthly charge per cellular telephone number that may change periodically. All customers are subject to the monthly charge. Verizon Wireless charges \$0.52 per mobile telephone number per month.

Voice Mail: \$1.50/per pager, per month; includes 5 messages, stored 10 hours with 30 second greeting. *

** Voice mail is unlimited, but stores 5 messages at a time. See Verizon Wireless Messaging Services' Account Representative for further details and various options and alternatives that may be available to the County.*
